Agenda Item no. 5

This Statement sets out the material facts pertaining to Special Business Item Number 5 as described in the Notice of the 73rd AGM of the Company.

The Company routinely enters into arrangements and carries out transactions with its related parties in accordance with its policies and the applicable laws and regulations. Certain related party transactions, in which a majority of the Directors are interested, would require Members' approval under Sections 207 and / or 208 (to the extent applicable) of the Companies Act, 2017, read with Regulation 15 of the Listed Companies (Code of Corporate Governance) Regulations, 2019.

As some/majority of the Directors of the Company may be deemed to be interested in certain arrangements / transactions with related parties, including due to their shareholding or common directorships in related entities/parties, and to promote transparency, an approval from the Members was sought during the 72nd AGM of the Company, held on September 26, 2023, where the Members (by way of passing special resolutions) authorized the Board of Directors to approve such related party transactions conducted by the Company during the financial year ended June 30, 2024. All the related party transactions including the nature of relationship and quantum, have been disclosed in Note 42 to the unconsolidated financial statements for the year ended June 30, 2024.

All related party transactions are in accordance with the Company's policies. These are primarily transactions conducted in the ordinary course of business and on an arm's length basis. Under the Company's policy for Related Party Transactions, all related party arrangements and transactions are reviewed periodically by the Board Audit Committee which is chaired by an Independent Director. Following review and recommendation by the Board Audit Committee, the said arrangements / transactions are placed before the Board of Directors for approval.

Accordingly, the Members are requested to ratify and confirm the transactions with related parties as disclosed in the financial statements of the Company for the year ended June 30, 2024.

Furthermore, the Company will be entering into arrangements and conducting transactions with its related parties including, but not limited to, those stipulated in the resolution, during the financial year ending June 30, 2025. As some or a majority of the Directors of the Company may be deemed to be interested in certain arrangements or transactions, inter alia, due to their shareholding or common directorships in related entities, an approval from the Members is being sought to authorize the Company to conduct such related party transactions and enter into arrangements with related parties, and further to authorize and grant power to the Board of Directors to approve related party transactions to be conducted by the Company during the financial year ending June 30, 2025 (irrespective of composition of the Board and interest of the Directors). The related party transactions as aforesaid for the year ending June 30, 2025 shall be deemed to have been approved by the Members.

The Members should note that it is not possible for the Company or the Directors to accurately predict the nature of related party arrangements / transactions, or the specific related parties with whom the transactions will be carried out. The transactions that may be carried out by the Company include, but are not limited to, purchase and sale of goods, commodities, and materials, including chemicals, soda ash, polyester, electricity, cement, vehicles, along with availing or rendering of services, payment of donations, or share subscription.

STATEMENT UNDER REGULATION 4(2) OF THE COMPANIES (INVESTMENT IN ASSOCIATED COMPANIES OR ASSOCIATED UNDERTAKINGS) REGULATIONS, 2017

The Company at its Extraordinary General Meeting (EoGM) held on March 21, 2022, obtained approval for an equity investment of up to PKR 4,600,000,000 (Pak Rupees Four Billion Six Hundred Million) by way of subscription of up to 460,000,000 (Four Hundred Sixty Million) ordinary shares in a joint venture company namely Lucky TG (Private) Limited ("Lucky TG") in accordance with Section 199 of the Companies Act, 2017 and the Companies (Investment in Associated Companies or Associated Undertakings) Regulations, 2017. The investment was to be made in tranches over a period of 36 months.

The Company, together with Tariq Glass Industries Limited (TGL) incorporated Lucky TG, to set up a float glass manufacturing facility with a production capacity of up to 1,000 metric tons per day. The facility was intended to be set up in two phases having production capacity of 500 metric tons per day each with expectation that the first phase of the facility would become commercially operational during FY 2024-25. Due to uncertain economic conditions, there have been delays in the project which have necessitated a reassessment of the project timelines.

As the funds in Lucky TG remained unutilized, on July 23, 2024, Lucky TG completed a buy-back of a certain proportion of its shares in accordance with section 88 of the Companies Act 2017 read with relevant provisions of the Companies Regulations 2024. Notwithstanding the same, the joint venture partners remain committed to completing the project as soon as the economic environment becomes more conducive.

The information as required in compliance with Regulation 4(2) of the Companies (Investment in Associated Companies or Associated Undertakings) Regulations, 2017, is as under:

Total investment approved	Up to PKR 4,600,000,000 (Pak Rupees Four Billion Six Hundred Million)
Amount of investment made to date	The Company invested PKR 280,500,000 (Pak Rupees Two Hundred and Eighty Million Five Hundred Thousand) in the form of equity. Following a buy-back of shares by Lucky TG which was completed on July 23, 2024, the current investment of the Company in Lucky TG stands at PKR 5,100,000 (Pak Rupees Five Million One Hundred Thousand). The Company still holds 51% of the remaining share capital in Lucky TG following the buy-back.
Reasons for deviations from the approved timeline of investment, where investment decision was to be implemented in specified time.	Delays in project timelines are due to uncertain economic conditions.
Material change in financial statements of associated company or associated undertaking since date of the resolution passed for approval of investment.	54,000,000 (Fifty-four million) issued ordinary shares of Lucky TG were brought back from the Company and Tariq Glass Industries Limited, in proportion to their shareholding to allow for utilization of injected funds that were lying dormant in Lucky TG. Lucky TG remains capable of meeting its financial liabilities.
